REASONS WHY IT SHOULD BE PREFERRED "PALL-O-TEA."

First—It is STEIPLY PUR3. It is WHITER, is FINEST GROUND, is FRESH, has BETTER COVERING POWER and is MORE DURABLE and is LOWER PRICED than any foreign or imported brands.

The IMPORTED LEADS are OLD, are DRY and HARD, COATED WITH SKINS, THE OIL IS BOILED INTO THE WOOD, and a very LARGE QUANTITY of OIL, which is HIGHER COST than the Lead, MUST BE ADDED to make them fit for use, and thus making it cost, at even market prices, at least 10 per cent, more than the PIONEER.

Second—The PIONEER LEAD is perfect, is a HOME MANUFACTURE, EVERY DOLLAR SPENT IN ITS MANUFACTURE is DISTRIBUTED ON THE COAST to the MINERS, SMELTERS and REFINERS, MECHANICS, FARMERS AND LABORERS.

The LEAD is Mined on this coast.

The PIG LEAD is melted and refined on this coast.

The POTS, MACKIN' T'Y and other apparatus are made on this coast.

The MECHANIC and LABORERS are our own population.

The LEAD from which the OIL is extracted is GROWN on this coast.

The manufacturer is the PIONEER WHITE LEAD EMPLOYEE constantly ONE HUNDRED PERCENT.

The manufacturer of the OIL is the PACIFIC OIL WORKS EMPLOYEE constantly FIFTY PERCENT.

The MINING, SMELTING, REFINING, FOUNDRIES, MACHINE & IRON WORKS, POTTERIES, FAIRIES and other dependencies, EMPLOY, in addition, an ARMY OF MEN, all OWSUM IRK contributing to each other's welfare.

The FOREIGN or IMPORTED LEADS or lead and OIL contribute nothing to the WELFARE or PROSPERITY of THIS COMMUNITY; on the contrary, the PATROVAGE of THIS results in the RETIREMENT from the STATE OF YOUR CAPITAL and DEPRAVES THE MANY classes aforementioned of 5 P. P. PORT.

Every dollar spent for HOME MANUFACTURES, and one or two essentially a home manufacture at the PIONEER WHITE LEAD, ADAMS to the REFINERY, and a PUEBLIC GOOD.

SECURE GOOD QUALITY. SAVE YOUR MONEY. PROMOTE THE GENERAL WELFARE, and in painting the only
